Following our successful District Camps at Lochearnhead in 2010 and 2015 we are organising another District Camp at Hertfordshire Scouts Lochearnhead Scout Station in Central Scotland just north of Callander.

All Potters Bar & District Scouts, Explorers, Leaders and Network members are welcome to join the Camp.

Lochearnhead is a converted railway station that is situated about 30 miles north of Stirling, which features bunk accommodation for up to 90 people and access to the finest walking country in Central Scotland. The views over Loch Earn give a tantalising glimpse of water based activities such as sailing, canoeing. Mountain biking along a national cycle route that follows the old railway lines and beyond, will be available. Quad Biking, Wild Camping will be organised. We will also be visiting a local Highland Games.

Lochearnhead Scout Station has already been booked and deposit paid. The transport will have to be booked by January 2020. We will therefore require a deposit by Saturday 11th January 2020, and a programme of easy payments to spread the cost will be issued later. Please note there are limited numbers for this trip and places will be issued on a 'First come First Served' basis, so book early!
